

### **Pernix Group, Inc. Appoints New President of Pernix Pacific**

**LOMBARD, IL — September 22, 2015** — Pernix Group, Inc. (OTCQB: PRXG) proudly announces the appointment of Peter Allen as the President of Pernix Pacific. Mr. Allen has been with Pernix since 2010 and has 33 years of extensive experience in energy, engineering, construction and operations.

As President of Pernix Pacific, Mr. Allen is responsible for our Pacific region construction and power operations. Mr. Allen's project expertise includes US Embassy compounds, high-rise buildings, military facilities, and industrial facility construction. He also has extensive experience in construction, operations and maintenance of power production facilities, including fossil fuel based and renewable energy technology.

This promotion comes amid Pernix's expanding presence in the Pacific region. Pernix Group has been operating in the Pacific Rim for over twenty years with subsidiaries in Fiji, Vanuatu, Guam, and a recently established subsidiary in Papua New Guinea. Pernix Group's work in the Pacific has involved all three of our market segments, U.S. Federal, Power, and Commercial & Industrial.

Nidal Z. Zayed, President and CEO of Pernix Group said, "Since Peter joined our company in 2010 and took on the challenge of running our Vanuatu energy utility, he has demonstrated an uncanny ability to understand, synthesize and resolve complex issues. He brought to Pernix a tremendous commitment to customer service and team spirit. Peter's talents and intelligence, his extensive and broad experience in everything we do, and his desire to succeed and understanding of the Pacific Rim makes him the natural choice to lead Pernix Pacific."

Mr. Allen said, "I am excited and very pleased for the opportunity to grow with Pernix Group. My mandate to further develop and expand our presence in the Pacific Rim is a challenge I relish. The Pernix PACRIM team is world class and I am honored by the opportunity to lead them."

Mr. Allen received a B.S. from the University of New Hampshire, a Master of Science in Management from Troy State University, and a Juris Doctorate from Golden Gate University. He is also a Registered Professional Engineer, an attorney, and a former Naval Officer in the United States Navy Civil Engineer Corps. Mr. Allen will be headquartered in Guam.
