

BE&K Building Group, A Pernix Group Company, Completes Construction of Assembly Facility for Bell Helicopter's 505 Jet Ranger X

LOMBARD, IL — October 21, 2015 — Pernix Group, Inc.'s (OTCQB: PRXG) subsidiary, BE&K Building Group, announced construction completion of a new facility for Bell Helicopter in Lafayette, Louisiana. Bell Helicopter will use the facility to assemble and deliver its newest commercial helicopter, the eagerly-awaited Bell 505 Jet Ranger X. The new 82,300-square-foot hangar facility was built on a 14.5-acre site. Bell Helicopter will lease the facility from the Lafayette Regional Airport. Assembly operations are expected to start in 2016, following certification of the facility and the aircraft. Bell Helicopter recently celebrated the grand opening of its Lafayette Assembly Center.

Best of 2015 Award | Manufacturing Projects — Last week, *Engineering News-Record – Texas & Louisiana* announced the winners of its 2015 Best Projects competition. BE&K Building Group won "Best Manufacturing Project" for the Bell Helicopter Lafayette Assembly Center. BE&K Building Group will formally receive the award at a recognition luncheon on December 8 in Houston, Texas.

Nidal Z. Zayed, President and CEO of Pernix Group said, "BE&K Building Group continues to demonstrate our expertise in the advanced manufacturing sector and we're excited to be recognized by *Engineering News-Record* for the superior work on the Facility for Bell Helicopter's 505 Jet Ranger X."
